Bushaltestelle: Gelenkbuss

This technical drawing illustrates a section of a road layout for a bus stop, specifically for articulated buses (Gelenkbuss). The drawing shows a multi-lane road with various markings and dimensions. Key features include:

- Dimensions:** Horizontal dimensions of 16.45, 33.75, and 7.50 are indicated with red lines. A vertical dimension of 7.50 is also shown.
- Bus Stop Area:** A rectangular area is shaded with blue diagonal lines, representing the bus stop zone. It is marked with a red dashed line and a red arrow pointing towards the stop.
- Lane Markings:** The drawing shows lane markings including solid and dashed lines, and arrows indicating traffic flow. A red dashed line with arrows points towards the bus stop area.
- Bus Stop Signage:** A bus stop sign is shown on the left side of the road, with a red arrow pointing towards the stop.
- Other Symbols:** Various symbols are used throughout the drawing, including a red 'X' in a circle, a red 'S' in a circle, and a red 'P' in a circle.
